G (hit once) G(hit once) C

Sp I tabbed this song before, but I tabbed it incorrectly. THIS IS THE CORRECT VERSION!! capo 1 (verse 1) And there so many fish in the sea, (pause) G but we could float if that s what you want. Oh, cause baby you seem too good to be. I don t want to know what life would be if you ever wanted to go. (prechorus) Am Cause they re throwing us lemons and we re squeezing them into our cups. **G**(hit once) **G**(hit once) **C** Woah, and drinking it up. (chorus) Boy, you got just what I want. G Am I m not going a place without your heart, woah. And girl, you re my sun shiny day. You d take my life away if you ever wanted to go. (verse2 We are two peas in a pod, but we can break out if that s what you want. There s too many stars in the sky, but they can t shine like you can shine. And I ll hope that you ll never leave. (prechorus) Am G

Cause they re throwing us lemons and we re squeezing them into our cups.

Woah, and drinking it up. (chorus 2) Αm Boy, you got just what I want. Am I m not going a place without your heart, woah. And girl, you re my sun shiny day. Am You d take my life away if you ever wanted to go. (bridge) You re the match to my candle. You re the scrape to my knee. And you re what makes it better than better could ever be. Than better could ever be. (chorus) Boy, you got just what I want. I m not going a place without your heart, woah. And girl, you re my sun shiny day. F C You d take my life away if you ever wanted to go.
