Am **F** **C** **G**
Don't know why I thought you'd save the day, cuz if anything
Am **F** **C** **G**
you were always meant to walk away, away
 Am **F**
And I don't know what we're fighting for,
 C **G**
cuz it's not what I want anymore,
Am **F** **C** **G**
I don't know why I thought you'd save the day, the day

(prechorus)

I never loved you anyway,
Just wanted who you promised you could be.

(Chorus)

F **C** **Am** **G**
I wanna feel the sting, of the real thing.
 F **C** **G**
Instead of the false alarm when I was in your arms,
 F **C** **Am** **G**
When you left last night, I did my best to cry,
 F **C**
But I never felt that sting,
G
I'm still waiting on the real thing.
F **C** **Am** **G** **F** **C** **Am**
Woooooooooah oh oh, wooooaaahhhh

(verse2)

Am **F** **C** **G**
Baby you don't mean a thing to me, anymore.

Am **F** **C** **G**
Cuz now I gotta reason to believe in waitin for,
Am **F**
A trust that never needs a ring,
C **G**
the one who tells me everything,
Am **F** **C** **G**
But baby you could never be that for me, for me.

(prechorus 2)
Because you never loved me anyway,
you just wanted who you got to be with me.

(Chorus)
F **C** **Am** **G**
I wanna feel the sting, of the real thing.
F **C** **G**
Instead of the false alarm when i was in your arms,
F **C** **Am** **G**
When you left last night, I did my best to cry,
F **C**
But I never felt that sting,
G
I m still waiting on the real thing.

(bridge)
Am
I thought it was more than what it was,
C **Em**
you swore we d never come undone,
C **Am**
but I ll wait a long time if forever s what it takes for something real.

(chorus 2)
F **C** **Am** **G**
I m still waitin to feel the sting, of the real thing.
F **C** **G**
Instead of the false alarm when i was in your arms,
F **C** **Am** **G**
When you left last night, I did my best to cry,
F **C**
But I never felt that sting,
G
I m still waiting on the real thing.
F **C**
I m waitin, still waitin,
Am **G**
woah oh oh
F **C**
I m waitin, still waitin,
Am **G**
I m waitin on the real thing.
