Intro: **Dm**

[**Dm**]Don t stop till I give the safeword.
Maybe you have [**A#**]not heard.
Wonder what it [**A**]was.
[**Dm**]This is not about the devil but the way to [**A#**]heaven,
baby I can [**A**]cope.

[**A9**]Uh, it s only bruised, it s only [**A**]bruised.
I don t need [**A7**]you [**A9**]telling me what s wise,
it s only [**A**]my [**Dm**]per-[**A#**]cep-[**A#**/**A**]tion [**A**]right?

[**Dm**][**A#**][**A**]

[**Dm**]I am just a little stranger,
this is what I m [**A#**]made of, this is what I [**A**]want.
[**Dm**]Maybe you are on the wrong side,
surely not on [**A#**]my side
baby, you can [**A**]go.

[**A9**]True, it wasn t you who got me [**A**]bruised, that may be [**A7**]right.
If [**A9**]you don t wanna try then maybe [**A**]I
[**Dm**]can [**A#**]save [**A#**/**A**]my-[**A**]self.

instr.: [**Dm**][**A#**][**A**]

(staccato:)
[**Dm**]Don t stop till you hit the right spot,
till you make my [**A#**]heart throb,
this is what I [**A**]want.
[**Dm**]I ve been waiting for the safeword but it really [**A#**]won t hurt
baby, I can [**A**]cope.

[**A9**]True, it wasn t you who got me [**A**]bruised, that may be [**A7**]right.
If [**A9**]you don t wanna try then maybe [**A**]I
will try my-[**A7**]self to [**A9**]lighten up my life,
it s only [**A**]my [**Dm**]per-[**A#**]cep-[**A#**/**A**]tion [**A**]right?

Safe-[**A**]word, safe-[**Dm**]word, safe[**A#**]word, safe[**A#**/**A**]word, it really [**A**]hurts

End on [**Dm**]
