A When I had you, well I won t ever realize
E Know I blew it, and I ll never get another chance
F#m Now the summer is here, and you re with somebody else **D A**

F#m Now that you re gone, I don t know if I can carry on
D A
F#m Sorry bout the things that I ve done
D A
E I know that it was over fore it started **D A**

[chords continue the same way]

I have got you re number, but I haven t got the guts to call
Know it s up to me, but I just stare at the wall
Know it s useless, I should just forget it all

When I was with you, I never took you seriously
When you told me you d had it and that you would leave
I said that well baby, noones better of alone

Now that you re gone, I don t know if I can carry on
Sorry bout the things that I ve done
I know that it was over fore it started
