G **Bm**
I talk too loud, too much, too much.

C **D**
And i stay up all night and i sleep all day.

G **Bm**
I like to dress up nice in rubber tights, baby,
C **D**
you stand and stare when i walk by.

G **D** **C** **Em**
If you don t like what i do,
G **D** **C** **Em**
well that s just fine cuz it s not for you.
G **D** **C** **Em**
You don t wanna hear what i say.
G **D** **C** **Em**
I ll keep on screaming it anyway.

G **Bm**
I sell my soul to steal it back.
C **D**
cause the rules that you made they re not for me.
G **Bm**
And you never understand what i m about.
C **D**
cuz i don t twize and i don t look back, yeah.

G **D** **C** **Em**
If you don t like what i do,
G **D** **C** **Em**
well that s just fine cuz it s not for you.
G **D** **C** **Em**
You don t wanna hear what i say.
G **D** **C** **Em**
I ll keep on screaming it anyway.
