Caesars - Soulchaser

Intro: **C** **Am**

**C**  
You took the last train out into the night  
You see the outside world is ruin by

**Am**  
The girls are outta town  
And there s no turn around

**C**  
Oh well the big bad city is just ahead  
And there s a million lights of the living dead

**Am**  
They ll put the squeeze on you  
So what you gonna do

**C**  
Well you ve bent your mind you ve spent your life

**G**  
And you ve ended up with what  
**Am** **F**  
But you gon wait to fall by now to turn around

**C**  
Runnin fast and your runnin blind  
**G**  
But the past is always close behind  
**Am** **F**  
A million leaves are falling to the ground

**C**  
As the night

**G**  
Turns to day

**Am**  
And the day

**F**  
Fade away

**C**  
All the violent people with empty eyes  
It s like a drive in brush in a paradise

**Am**  
And you just can t wait

You ve got to fill that plate

**C**

You feel the morning rain at the break of day

It s gonna wash the sins of the night away

**Am**

Well don t you understand

It s getting outta hand

**C**

Well you ve bent your mind you ve spent your life

**G**

And you ve ended up with what

**Am**

**F**

But you gon wait to fall by now to turn around

**C**

Runnin fast and your runnin blind

**G**

But the past is always close behind

**Am F**

A million leaves are falling to the ground

**C**

As the night

**G**

Turns to day

**Am**

And the day

**F**

Fade away
