Well it took a long time but you ve finally worn out your smile  
A Bm F#m  
That s when I knew it I ve run outta borrowed time  
D Bm F#m  
You always used to say that you could learn a lot through wasting time  
A Bm F#m  
And that if you look hard You ll see yourself in your lovers eyes

D Bm F#m  
Your time is near it won t be long  
D Bm F#m  
You ve got to go when you re called upon  
D Bm F#m  
No light of day no sight of dawn  
D Bm F#m  
Don t turn around just walk right on

D Bm F#m  
You came riding into town with a black and white five and ten  
A Bm F#m  
Said I ll be your captain And take you back home again  
D Bm F#m  
It s your third time around but you know I ll get a second wind  
A Bm F#m  
But if we ever get there they ll be no one there to let us in

D Bm F#m  
Your time is near it won t be long
