Stuck in the fire, turn in the grave/Watching the shadows stretch and taking my face

B E  
I didn t know what was supposed to

B E  
I didn t know what was supposed to

B E B  
Now I want to  
B E B  
Yeah, I want to now

B E  
I don t care to explain  
B E  
Why you running away, why you running away

B E  
To be fair, I should say  
B E  
Why you running away, why you running away

Riff

B                    E  
Standing alone all for the road  
B                    E  
I didn t know what was supposed to  
B                    E  
Creature is safe here in my veins  
B                    E  
Watching the shadows stretch and taking my face

B                    E  
I didn t know what was supposed to  
B                    E  
I didn t know what was supposed to  
B    E  
    But I don t want to  
B    E  
    Yeah, I want to now

B                    E  
I don t care to explain  
B                    E  
Why you running away, why you running away  
B                    E  
To be fair, I should say  
B                    E  
Why you running away, why you running away  
B                    E  
Ghosts were killing all the way  
B                    E  
Why you running away, why you running away  
B                    E  
To be fair, I should say  
B  
Why you running away, why you running away  
E  
Keep on ruining

B                    E                    B                    E  
I ve been stuck in line all those dirty rotten times  
                          B                    E  
They ve got time, time is gonna pass  
                          B                    E  
Hope these burning ears won t last  
                          B                    E                    B                    E  
Sometimes I m stuck in lies, all those stinky, twisted times  
                          B                    E  
But I ve got time, time is gonna pass  
                          B                    E  
I hope these burning ears won t last

B                    E  
I don t care to explain  
B                    E
