Doctor Doctor Doctor Help Me Help Me Help Me
Cage the Elephant

(verso 1)
```
G#              C#      Eb
I went in as a patient
G#                    E           Eb
They kept me constantly waiting
G#              C#        Eb
I gave my best performance
G#                     E      Eb
They knew that I was faking
```

(refrão)
```
E          Eb                          G#
Hey! I ain t got much else to say
      E         Eb      G#
No excuses I can make
           E       Eb         G#
Fuzzy feeling on the walls
             E       Eb            G#
Lord, you know I tried them all
                          B   Eb
Now watch me ri-iiiiii-se and fall
```

(**G#   C#   E**)

(verso 2)
```
G#                         C#      Eb
So warm, wrapped in a blanket
G#             E      Eb
No sign of hesitation
G#              C#          Eb
I gave my best performance
G#                     E      Eb
They knew that I was faking
```

Chorus:
```
E           Eb                        G#
Hey! I ain t got much else to say
      E         Eb      G#
No excuses I can make
           E       Eb         G#
Fuzzy feeling on the walls
             E       Eb            G#
Lord, you know I tried them all
                          B   Eb
Now watch me ri-iiiiii-se and fall
```

(**G# C# E**) (4x)

(ponte)
```
G#                                          B
Ain t got no problems with you
G#                                          B
Ain t got no problems, oh, oh, oh
G#                                          B
Ain t got no problems with you
G#                                          B
Ain t got no problems, oh, oh, oh
Eb
Noooooooo
```

Final Chorus:
```
E                 Eb                              G#
Hey! I ain t got much else to say
        E             Eb        G#
No excuses I can make
              E          Eb            G#
Fuzzy feeling on the walls
                    E          Eb             G#
Lord, you know I tried them all
                    E          Eb             G#
Lord, you know I tried them all
                    E          Eb             G#
Lord, you know I tried them all
                    E          Eb             G#
Lord, you know I tried them all
                    E          Eb             G#
Lord, you know I tried them all
```
