Sun went down, sun went down over Pompeii

On both sides the vow was broken

One day, all our secrets will be spoken

[Pré-Refrão]

D F#m E
As we slow danced, I became your statue frozen
D F#m E
Times I wonder, are we just a puff of smoke, yeah

Underneath this bed of ashes, still withholding
A D C#
Everything like we were never close

Don t you worry baby, no sense trying to change it
A C#
