

Right Before My Eyes
Cage the Elephant

[Intro]

Em Am G
C Em Am G x2

[Verse 1]

C **Em**
Timber shakes these trails they all derail
Am
Phony, false and frail
G
An empty ocean lost our way with no direction home
C **Em**
Golden needles names we take in vein
Am
Find it harder to remain
G
And nothing s sacred still waiting on that explanation

[Chorus]

C
Right before my eyes
G
I saw the whole world lose control
Am
The whole world lost control
F **G**
Before my eyes uh-huh
C
I fell through the floor
G
I couldn t take it anymore
Am
I can t take this anymore
F **G**
It breaks my mind uh-huh

[Verse 2]

C **Em**
Hold your dirty hand over the flames
Am

Getting pleasure from the pain

G

Softly screaming the pistol that you raise has spoken

C

Em

Golden needles names we take in vein

Am

Find it harder to remain

G

Well nothing s sacred still waiting on that explanation

[Chorus]

C

Right before my eyes

G

I saw the whole world lose control

Am

The whole world lost control

F

G

Before my eyes uh-huh

C

I fell through the floor

G

I couldn t take it anymore

Am

I can t take this anymore

F

G

It breaks my mind uh-huh

[Bridge]

F

Am

Everything I thought I knew fell to the side

F

Am

Time went on and on I couldn t see past my own eyes

G

Past my eyes

Am

Past my eyes

G

Past my eyes

[Chorus]

C

Right before my eyes

G

I saw the whole world lose control

Am

The whole world lost control

F **G**

Before my eyes uh-huh

C

I fell through the floor

G

I couldn t take it anymore

Am

I can t take this anymore

F **G**

It breaks my mind uh-huh
