

Right Before My Eyes
Cage the Elephant

[Intro]

Fm Bbm G#
C# Fm Bbm G# x2

[Verse 1]

C# **Fm**
Timber shakes these trails they all derail
Bbm
Phony, false and frail
G#
An empty ocean lost our way with no direction home
C# **Fm**
Golden needles names we take in vein
Bbm
Find it harder to remain
G#
And nothing s sacred still waiting on that explanation

[Chorus]

C#
Right before my eyes
G#
I saw the whole world lose control
Bbm
The whole world lost control
F# **G#**
Before my eyes uh-huh
C#
I fell through the floor
G#
I couldn t take it anymore
Bbm
I can t take this anymore
F# **G#**
It breaks my mind uh-huh

[Verse 2]

C# **Fm**
Hold your dirty hand over the flames
Bbm

Getting pleasure from the pain

G#

Softly screaming the pistol that you raise has spoken

C#

Fm

Golden needles names we take in vein

Bbm

Find it harder to remain

G#

Well nothing s sacred still waiting on that explanation

[Chorus]

C#

Right before my eyes

G#

I saw the whole world lose control

Bbm

The whole world lost control

F#

G#

Before my eyes uh-huh

C#

I fell through the floor

G#

I couldn t take it anymore

Bbm

I can t take this anymore

F#

G#

It breaks my mind uh-huh

[Bridge]

F#

Bbm

Everything I thought I knew fell to the side

F#

Bbm

Time went on and on I couldn t see past my own eyes

G#

Past my eyes

Bbm

Past my eyes

G#

Past my eyes

[Chorus]

C#

Right before my eyes

G#

I saw the whole world lose control

Bbm

The whole world lost control

F# **G#**

Before my eyes uh-huh

C#

I fell through the floor

G#

I couldn t take it anymore

Bbm

I can t take this anymore

F# **G#**

It breaks my mind uh-huh
