

Shier Me Timber
Cage the Elephant

Intro: **D F#m A#m A** x2

D

Timber shakes these trails, they are derailed

F#m

Phony, false and frail

A#m

An empty ocean

A

Lost our way with no direction home

D

Golden needles, names we take in vain

F#m

Find it harder to remain

A#m

No nothing sacred

A

Still waiting on that explanation

D

Right before my eyes

A

I saw the whole world lose control

A#m

The whole world lost control

G

A

Before my eyes

D

I fell through the floor

A

I couldn t take it anymore

A#m

I can t take this anymore

G

A

It breaks my mind

D

Hold her dirty hands over the flames

F#m

Getting pleasure from the pain

A#m

Softly screaming

A

The pistol that she raised has spoken

D

Golden needles, names we take in vain

F#m

Find it harder to remain

A#m

Nothing sacred

A

Still waiting on that explanation

D

Right before my eyes

A

I saw the whole world lose control

A#m

The whole world lost control

I fell through the floor

A

I couldn't take it anymore

A#m

I can't take this anymore

G

A

It breaks my mind

G

A#m

Everything I thought I knew fell to the side

G

A#m

Time went on and on, I couldn't see past my own eyes

G

Past my eyes, past my eyes, past my eyes

D

Right before my eyes

A

I saw the whole world lose control
