

Shier Me Timber
Cage the Elephant

Intro: **Eb Gm Bm Bb** x2

Eb

Timber shakes these trails, they are derailed

Gm

Phony, false and frail

Bm

An empty ocean

Bb

Lost our way with no direction home

Eb

Golden needles, names we take in vain

Gm

Find it harder to remain

Bm

No nothing sacred

Bb

Still waiting on that explanation

Eb

Right before my eyes

Bb

I saw the whole world lose control

Bm

The whole world lost control

G#

Bb

Before my eyes

Eb

I fell through the floor

Bb

I couldn t take it anymore

Bm

I can t take this anymore

G#

Bb

It breaks my mind

Eb

Hold her dirty hands over the flames

Gm

Getting pleasure from the pain

Bm

Softly screaming

Bb

The pistol that she raised has spoken

Eb

Golden needles, names we take in vain

Gm

Find it harder to remain

Bm

Nothing sacred

Bb

Still waiting on that explanation

Eb

Right before my eyes

Bb

I saw the whole world lose control

Bm

The whole world lost control

G# **Bb**

Before my eyes

Eb

I fell through the floor

Bb

I couldn t take it anymore

Bm

I can t take this anymore

G# **Bb**

It breaks my mind

G# **Bm**

Everything I thought I knew fell to the side

G# **Bm**

Time went on and on, I couldn t see past my own eyes

G#

Past my eyes, past my eyes, past my eyes

Eb

Right before my eyes

Bb

I saw the whole world lose control

Bm

The whole world lost control

G# **Bb**

Before my eyes

Eb

I fell through the floor

Bb

I couldn t take it anymore

Bm

I can t take this anymore

G# **Bb** **Eb**

Fix my mind
