

Shier Me Timber
Cage the Elephant

Intro: **E G#m Cm B** x2

E

Timber shakes these trails, they are derailed

G#m

Phony, false and frail

Cm

An empty ocean

B

Lost our way with no direction home

E

Golden needles, names we take in vain

G#m

Find it harder to remain

Cm

No nothing sacred

B

Still waiting on that explanation

E

Right before my eyes

B

I saw the whole world lose control

Cm

The whole world lost control

A

B

Before my eyes

E

I fell through the floor

B

I couldn t take it anymore

Cm

I can t take this anymore

A

B

It breaks my mind

E

Hold her dirty hands over the flames

G#m

Getting pleasure from the pain

Cm

Softly screaming

B

The pistol that she raised has spoken

E

Golden needles, names we take in vain

G#m

Find it harder to remain

Cm

Nothing sacred

B

Still waiting on that explanation

E

Right before my eyes

B

I saw the whole world lose control

Cm

The whole world lost control

A

B

Before my eyes

E

I fell through the floor

B

I couldn t take it anymore

Cm

I can t take this anymore

A

B

It breaks my mind

A

Cm

Everything I thought I knew fell to the side

A

Cm

Time went on and on, I couldn t see past my own eyes

A

Past my eyes, past my eyes, past my eyes

E

Right before my eyes

B

I saw the whole world lose control

Cm

The whole world lost control

A

B

Before my eyes

E

I fell through the floor

B

I couldn t take it anymore

Cm

I can t take this anymore

A

B

E

Fix my mind
