

Skin And Bones

Cage the Elephant

[Intro] Am F Dm F

[Verso 1]

Am **F**

Close my eyes and drift into the silence

Dm

Barely see the ultraviolet

F

Slipped and fell into the deep end

Am **F**

Oh, the sidewalk shimmer just like diamonds

Dm

All the empty words were flying

F

Well, the heart was low, but I never was alone

I never was alone

[Refrão]

Am **C** **Dm** **F**

I've been running for so long

Dm **F**

All that's left is skin and bones

Dm **F**

Close my eyes, fight to carry on

Am **C** **Dm** **F**

Sometimes it makes no sense at all

Dm **F**

If I stumble, will I fall?

Dm **F**

If I fall, I'll tuck and roll

Dm

Close my eyes and let the love-light guide me home

Dm

Let the love-light guide me home

[Verso 2]

Am **F**

One step fades and falls into another

Dm

I'm not getting any further

F

Left you feeling like an alien

F

All the shining sidewalks, they were lying

Dm

Lost myself while I was hiding

F

And the heart was low, but I never was alone

F

I never was alone

[Refrão]

Am C Dm F

I've been running for so long

Dm F

All that's left is skin and bones

Dm F

Close my eyes, fight to carry on

Am C Dm F

Sometimes it makes no sense at all

Dm F

If I stumble, will I fall?

Dm F

If I fall, I'll tuck and roll

Dm

Close my eyes and let the love-light guide me home

Dm

Let the love-light guide me home

(Am F Dm F)

[Ponte]

Dm F

Hearts are empty almost all the time

Dm F

Blind devising ways to lead the blind

Dm F

And it seems as if there's no end in sight

Dm F

I don't wanna be there when it all goes down

Dm F

But if I gotta be there, don't let me hit the ground

F

Can I hit the ground?

[Refrão]

Am C Dm F

I've been running for so long

Dm F

All that's left is skin and bones

Dm F

Close my eyes, fight to carry on

Am C Dm F

Sometimes it makes no sense at all

Dm **F**

If I stumble, will I fall?

Dm **F**

If I fall, I'll tuck and roll

Dm

Close my eyes and let the love-light guide me home

Let the love-light guide me home
