

Whole Wide World  
Cage the Elephant

[Intro] F Bb

F Bb  
When I was a young boy

F Bb  
My mama said to me

F Bb  
There s only one girl in this world for you

F Bb  
And she probably lives in Tahiti

F  
I d go the whole wide world

I d go the whole wide world just to find her Bb

( F Bb )

F Bb  
Or maybe she s in the Bahamas

F Bb  
Where the Caribbean Sea is blue

F Bb  
Weeping in a tropical moonlit night

F Bb  
Because nobody s talking about you

F  
I d go the whole wide world

I d go the whole wide world just to find her Bb

F  
I d go the whole wide world

I d go the whole wide world

F Bb  
To find out where they hide her

F  
I d go the whole wide world

I d go the whole wide world just to find her Bb

F Bb  
Why am I hanging around in the rain out here

F Bb  
Trying to pick up a girl

F Bb  
Why are my eyes filling up with these lonely tears
