Whole Wide Wolrd
Cage the Elephant

[Intro] **F** **Bb**

 F   **Bb**
When I was a young boy
  F   **Bb**
My mama said to me
    F   **Bb**
There s only one girl in this world for you
    F   **Bb**
And she probably lives in Tahiti

F
I d go the whole wide world
                        Bb
I d go the whole wide world just to find her

(**F** **Bb**)

F   **Bb**
Or maybe she s in the Bahamas
      F   **Bb**
Where the Caribean Sea is blue
   F   **Bb**
Weeping in a tropical moonlit night
    F   **Bb**
Because nobody s talking about you

F
I d go the whole wide world
                       Bb
I d go the whole wide world just to find her
F
I d go the whole wide world

I d go the whole wide world
F   **Bb**
To find out where they hide her
F
I d go the whole wide world
                      Bb
I d go the whole wide world just to find her
F   **Bb**
Why am I hanging around in the rain out here
F   **Bb**
Trying to pick up a girl
F   **Bb**
Why are my eyes filling up with these lonely tears

```
F                                              Bb
When there s girls all over the world

F                                  Bb
Is she lying on a tropical beach somewhere
F                          Bb
Underneath a tropical sun
F                                Bb
Pining a way in a heat wave there
F                          Bb
Hoping that I won t be long
F                                          Bb
I should be lying on that sun soaked beach with her
F                          Bb
Caressing her warm, brown skin
F                            Bb
And then in a year or maybe not quite
F                                Bb
We ll be sharing the same next of kin

F
I d go the whole wide world
                                        Bb
I d go the whole wide world just to find her
F
I d go the whole wide world
F
I d go the whole wide world
                                  Bb
To find out where they hide her
F
I d go the whole wide world
                                          Bb
I d go the whole wide world just to find her
F
I d go the whole wide world
                                          Bb
I d go the whole wide world just to find her
F
I d go the whole wide world
F
I d go the whole wide world
                                  Bb
To find out where they hide her
