Inst: **G** **C** (8x)

I don't wanna hang on your pretty hook

I don't wanna wait another day

I'm the biggest fish in your shallow water

Always be the one who got away

Got away

I've been alone on Sunday, baby

I've been alone on a Monday

I've been alone too many days, baby

Don't you ever doubt it

When I learn to live without it

I'll be gone

Gone

Gone

I've been alone on Sunday, baby

I've been alone on a Monday
