## Crushed And Created Caitlyn Smith

We are crushed and created

\*\*Capo 7\*\* Verse 1: G Looking back on the things that found me Places I would never choose C G The same things that both haunt and heal D Em My demons and my muse Chorus: G We are crushed and created G We are melted and made C G We are broken and built up  $\mathbf{Em}$ In the very same way G What I thought I could handle G C What I thought I could take G What I thought would destroy me Em Leaves me stronger in its wake CGCGCGD Verse 2: C G And there are times that I ve underestimated C Both the grief and goodness found in something new C G Where one thing dies, something else can be created D And though it s truth you find, it s innocence you lose Chorus: G
