

Even If It Kills Me
Caitlyn Taylor Love

Ok, the first part may not sound a lot like it to you but it s something.

(Intro)

B C, F F# Figure up the timing.
Keep doing that for the verse until the pre-chorus comes.
(Verse 1)

Walking down this boulevard of emptiness

Lights go out and I fall

Black and blue

I should give it all up

(Pre-Chorus)

E **D** **C** **D**
But I keep coming back for more

(Chorus)

C **D**
Even if it kills me
E **G**
I ll find the way to you
C **D**
Cause you make me feel things
E
I need to
G
I want to
C **D**
Even if it kills me
E **G** **C** **D**
I ll come crushing trough you

Even if it kills me

(Verse 2) Remember it s the same from verse 1

Velvet ropes
Keep ya on the outside
I m reaching out
And they locked the door
I lied a fuse
I m gonna blow this walls off

Cause they can't keep me here anymore

(Chorus) You already saw the Chorus

Even if it kills me

I'll find the way to you

Cause you make me feel things

I need to

I want to

Even if it kills me

I'll come crashing through you

Even if it kills me **C D E D**

Continue with this chords until the

bridge ends.

(Bridge)

Cause I'm not breathing

I'm not feeling

And without you I'm not living anyway

Yeah

B C, G E D C

(Chorus)

Even if it kills me

I'll find the way to you

Cause you make me feel things

That I need to

I want to

Even if it kills me

I'll come crashing through you

Even if it kills me

B C, C End pulling your fingers to the edge of the guitar like if the guitar suddenly turned off.
