

No Joanna

Cajun Dance Party

Ok, this is my first tab and i think it sound alright :)

I would appreciate comments and suggestions to improve.

There are a few sections in the song which i havent worked out, but i have enough

for the song to sound good :)

Standard tuning

Capo 2nd

anything with this symbol ^ = strum once and let it ring

[Em]

[C]

It feels like this, as I walk the streets and I stalk the leaves on my way

[G]

home,

[C]

[Em]

Look down at my shoes, to see how I move,

[C]

And itâ€™s always wrong, itâ€™s always wrong,

[Em]^

But I canâ€™t go back.

[Em]^

I canâ€™t go back,

[Em]^

[C]

I canâ€™t go back to her sheâ€™ll see, sheâ€™ll see the way I look, Iâ€™ve looked,

Iâ€™ll always look through my eyes, through my heart but not my sense,

I seem to lose, but not when I choose,

And itâ€™s always wrong, itâ€™s always wrong,

[Em]

[C]^

But second source, in the middle of the night,

[Em]

[C]^

Allâ€™s easy but not with this girl,

[Em]

[C]

Joanna sits on the wall,

[Cadd9]

[G]

Smiling and laughing and asking for more,

[Em]

[C]

Sheâ€™s won the battle, but now comes the fear,

[G]

[Em]^

Itâ€™s over; itâ€™s over, just as I came near,

[Em]

[C]

[G]

It feels like this, as I walk the streets and I stalk the leaves on my way home,

[Em]

[C]^

The house is so near, but oceans from here,

[Em]

And it's always wrong, it's always wrong,  
[C] [G]  
But summer air, when hands are a tangled,  
[C] [G]^  
You think that you've won all the world.

[SAME CHORDS AS BEFORE]  
Joanna sits on the wall,  
Smiling and laughing and asking for more,  
She's won the battle, but now comes the fear,  
It's over; it's over, just as I came near,  
[Em] [C]^  
But second source, in the middle of the night,  
[Em]  
It feels like this,  
It feels like this,  
(I'm not quite sure on these bits, sorry!)  
My eyes will take a tear from you,  
My heart will take a beat, or two,  
My feet will take me back to you tonight, they always do,

[SAME CHORDS AS BEFORE]  
Joanna sits on the wall,  
Smiling and laughing and asking for more,  
She's won the battle, but now comes the fear,  
It's over; it's over, just as I came near,  
[Em] [C]^ [G] [C] [Em]^  
Your eyes aren't blue, but I still see seas within
