[Verse]

when you tried to tell me
of all the love you had
I was cleaning oil from beaches
seeing only what was bad
when you tried to feed me
I only shut my mouth
food got on your apron
and you told me to get out

Daria, I won t be soothed
Daria yeah, I won t soothed
over like smoothed
over like milk, silk,
a bedspread or a quilt,
icing on a cake
or a serene translucent lake
Daria, Daria, Daria,
Daria yeah, Daria, yeah Daria yeah
I won t be soothed
I won t be soothed
