

Lets Live And Lets Die Young
CAL RED

The lyrics are a best guess. Listen for strum pattern and timing.

Tuning: 1/2 step down (Eb-Ab-Db-Gb-Bb-Eb)

Intro: **E5-C5-B5**

Verse 1:

E5

The marbles roll down the hill and the kids catch the palms that are
bleeding and they thrill they run down the streets and they slip and
fall towards the depths where they haven t ever been at all

C5-B5

Verse 2:

E5

Let the masterpieces be the best and when you feel like you just can t
rest I saw my grandfather fall, fall, fall. And digging holes to put
him in, digging holes for his best friend, digging holes for his
family, digging up his brother to put him on the tree

C5-B5

Chorus (x2):

E5

Live and let die young

C5

B5

Live and let die young

Verse 3:

E5

C5

B5

The thimble fits the thumb it won t poke us and I ll put you on the

E5

C5

tree branch to where you can rest at night on a piece of paper in my

B5

E5

C5

file cabinet. I ll get you out in remembrance day and coffee mug

B5

E5

C5

left on your face and when I show it to my bestest friend he doesn't
B5
know how it's gonna end.

Chorus (x2):

E5
Live and let die young

C5 **B5**
Live and let die young

Outro (x4)

E5
Let's live and let's die young

C5 **B5**
Let's live and let's die young
