

**Drift Into Dust**  
**Calabrese**

[Intro]

**C G A# F** (single notes)

[Verse 1]

**C G**  
Death is our love  
**A# F**  
Wicked hearts to be  
**C G**  
High in our love  
**A# F**  
Wild one to me  
**C G**  
Oh, don't you know?  
**A# F**  
To be free you run  
**C G**  
It's only love  
**A# F**  
It's only love

(Drum fill - and chords from here)

[Chorus]

**D F#m**  
Nobody knows  
**A E**  
Where our lives may go  
**D F#m**  
Take my hand, little girl  
**A**  
It's all you need  
**E**  
To be free  
**D F#m**  
Funeral pyres light the sky  
**A E**  
As we drift into dust  
**D F#m**  
Always meant for this  
**A**  
Into love  
**E** (keep strumming E)  
Into death

[Verse 2]

**Cm**                    **G**  
 Young is our love  
                  **A#**                    **F**  
 It s a broken heart to be  
**Cm**                    **G**  
 One wrong move  
                  **A#**                    **F**  
 You came to me  
**Cm**                    **G**  
 Oh, if you knew  
                  **A#**  
 To be free  
                  **F**  
 You ll stay  
**Cm**                    **G**  
 Just try to run  
                  **A#**  
 Try to run  
                  **F**  
 From me

[Chorus]  
**D**                    **F#m**  
 Nobody knows  
                  **A**                    **E**  
 Where our lives may go  
                  **D**                    **F#m**  
 Take my hand, little girl  
                  **A**  
 It s all you need  
                  **E**  
 To be free  
                  **D**                    **F#m**  
 Funeral pyres light the sky  
                  **A**                    **E**  
 As we drift into dust  
                  **D**                    **F#m**  
 Always meant for this  
                  **A**  
 Into love  
                  **E**    (keep strumming E)  
 Into death

[Bridge]  
**C**                    **Em**                    **A**                    **G#**  
 They don t understand you, yeah  
                  **C**                    **Em**                    **A**                    **G#**  
 And I feel your heartbeat death, yeah  
                  **C**                    **Em**                    **A**                    **G#**  
 They re gonna find you in the water, yeah  
                  **C**                    **Em**  
 Well, blood is in the water  
                  **A**                    **G#**

Tonight
