## Afloat Caleb and Sol Rexius No capo Intro- $\mathbf{A} \mathbf{E} \mathbf{A} (x2)$ Floating with the wind, I am drifting East It s like I calmed the ocean still and put the waves to sleep Α D But the tides are changing, No it ain t the same, no E There lies a faith in the absence of control they say... Α One step forth, and I try to get back A coward s fear on trail with the weakest faith in man You call me out my comfort, you call me out the boat To walk on my own alone, alone E Sometimes I am lost on the open water Sometimes I am thrown by the wind and the waves Sometimes I m swimming in the deep end Α D Can I stay Afloat, Stay Afloat The ocean is deep below my feet Afraid of what s to come, so I slowly start to sink Α I was waiting for my ending, But then you grab my hand Just like I knew you would, you would

E

Sometimes I am lost on the open water

Sometimes I am thrown by the wind and the waves E Sometimes I m swimming in the deep end A D Can I stay Afloat, Stay Afloat Α In the rain, there is a storm, barely breathing as I paddle... I am sinking- Does it matter? D In my final breath, my only hope , you come to save me... Α Е D Sometimes I m lost... E D Sometimes I m scared... E Sometimes I m swimming on the deep end D A D Can I stay Afloat, Stay Afloat D ADED Stay Afloat Sometimes I am lost on the open water Sometimes I am thrown by the wind and the waves E Sometimes I m swimming in the deep end D A D Can I stay Afloat, Stay Afloat D A D Stay Afloat, Stay Afloat Α Stay Afloat
