

What I Am
Caleb and Sol Rexus

What I am by Caleb and Sol

Verse 1:

C **F**
I kissed your face and turned you in
Am
I took the bribe of fallen men
G
I am one of the twelve
C **F**
3 times denied before the Lord
Am
I broke the words that I had sworn
G
I am a man of earthly faith

Pre-chorus:

C **F** **Am**
You called me a man after my own heart
G
When dented my faith fell apart

Chorus:

C **F**
And it s what I am
Am **G**
it s what I am
C
No everything before you
F
And everything within
Am **G**
It s what I am
C F Am G
It s what I am

Verse 2:

I had the rules down from the start
One thing neglected was my heart
I am the pharisee
I made my living from the world
With guilt I climbed the Sycamore
I am a liar and a thief and I believe

Pre-Chorus 2:

You called me to leave all my comfort
And despite you I fled on my own
I followed the lies
Avoided my faith swallowed by the world
I fell into nothing
it s what I am
And it s what I am

Chorus:

And it s what I am
it s what I am
No everything before you
And everything within
It s what I am
It s what I am

Bridge:

Everything that I ve got in me
I give it up to bring you glory
Everything that I hold dear
I give it away Lord, I give it up to you
Everything that I ve got in me
I give it up to bring you glory
Everything that I hold dear
I give it away Lord, I give it up to you
because this is what I am

Chorus:

And it s what I am
it s what I am
No everything before you
And everything within
It s what I am
It s what I am
No everything that crucified
and every sin of man
It s what I am

thanks!
