Am **Abaug**
From the empty streets to abandoned homes
C **F7M** **Fadd9**
There s a stinging feeling in my eye
Am **Abaug**
Shelter underground in case the big one comes
C **F7M** **Fadd9**
Why would you plan for it not to work out right?

Dm **C** **F** **F**
My focus was blurred
Dm **C** **F** **E7**
As the world became consumed
Am **Am/G** **F** **F**
For who?

[Verse]

Am **Abaug**
From the lookout tower another fired flare
C **F7M** **Fadd9**
I wonder if there s a light inside that heart

To escape the mess from every misstep

Why build another bridge that lead nowhere
