

Ballroom Blitz
Calibretto 13

Song: Ballroom Blitz
Band: Calibretto 13
CD: Enter the Danger Brigade
Label: Tooth & Nail
Tabbed by: Joshua Heilman

If you haven't heard these guys yet, you're missing out. It's hard to explain exactly what they sound like. But it's been called "acoustic punk."

I play all of the notes barred. But, ya know, you can play it whatever way suits you best. It's pretty easy and it sounds good. Probably the hardest part is all of the muting that's going on. But listen to the CD and you should be able to pick up on it pretty quick. Have fun!
