Verse 1

Am **F**
Don't you got better things to do than spread

your gossip and speak what's untrue?

C
You go to church, see through your haughty eyes

G
Go to your friends and tell all your lies

Am **F**
Go on over to your stupid social clique

C
You religious hypocrites make me so sick

G
You without sin, go ahead, cast the first stone

(No chord)
I didn't think so, so why don't you just go home.

Prechorus:

E **Am**
You claim to be a leader, you claim to make a stand

E **Am**
But when your brother's falling, you won't even

F **Am?**
give a hand. You claim to be so holy, you claim

F **E**
to be so strong, but behind your charade i know

your motives are so wrong.

Chorus:

Am F C G
It donâ€™t mean a thing cuz talk is cheap

Am F C G
Your actions count but your words you canâ€™t keep

Am F C G
It donâ€™t mean a thing cuz talk is cheap

Am F C G
You think you re so righteous, but I think youâ€™re a creep

Verse 2 (same chords)
Youâ€™re the kinda person who looks at othersâ€™ sin
and spreads the word forgetting your own within (oh no)
You go to church to see whatâ€™s in the news
So you can gossip, so you can lie, so you can confuse

Pre-chorus 2 (same chords)
See your brotherâ€™s falling down all the time
Instead of showing mercy you convict him of a crime
You like to watch them as they fall on down
Instead of helping them you push them to the ground

Chorus again

The end (this is neat):

vox 1: chorus lyrics

vox 2: youâ€™ll never be a leader, youâ€™ll never make a stand.
until you change your ways, my God will not hold out his hand.

vox 3: You claim to be so close to God. Behind the mask,
motives are wrong.

The rest is Am, F, C, and G. It sounds nice to hammer on from
Asus2 to Am. Listen to the song. Donâ€™t gossip! :0)
