Song: "Get A Life"

Artist: "Calibretto 13"

Album: Enter the Danger Brigade(Tooth & Nail, 2000)

Tab By: Steve Cox (Steco682@aol.com)

Cool song by a new "acoustic punk" band. Easy to play. There are a couple bass solos that I didn't feel like tabbing out, but they're not hard to figure out. Enjoy.

All Chords Barred

Verse 1:

**A** **E** **D**  
Well, you're a good looking guy and you're under 21.  
**A** **E** **D**  
You party all night and you have a lot of fun.  
**A** **E** **D**  
You dropped out of school and you do nothing all day.  
**A** **E** **D**  
You can't seem to find a job, but that's ok.  
**A** **E** **D**  
Cause you live with your girlfriend, and she takes care of you.  
**A** **E** **D**  
You share the same bed and you promise to be true.  
**A** **E** **D**  
She wants to get married, but you'd rather not.  
**A**(stop) **E**(stop)  
The only reason you like her is because she's hot.

Verse 2:

**A**(let ring)  
Well you're getting nowhere and you're getting there fast.  
**A**(let ring)  
Your heathen lifestyle's not gonna last.  
**A**(let ring)  
You're wasting your life, but you don't care.  
**A**(let ring)  
You're living for today, for the prince of the air.  
**A** **E**

Your life is a party and it sure ainâ€™t dull.

**A E**

Youâ€™re living for today and youâ€™re on a roll.

**A E**

You donâ€™t have a worry you think all is well.

**A(stop) E(stop)**

But you donâ€™t know youâ€™re on your way to Hell.

Chorus:

**A E A**

Get a Life. Get a Life.

Get a Life. Get a Life. Get a Life. Get a Life.

**A E D E A**

Verse 3: (Spoken w/ Bass Solo)

Now every weekend is the same routine.

You get hooked up and you do the same old thing.

You smoke some marijuana, get as high as a kite.

Take down 3 more beers, get into another fight.

Go upstairs with a girl and sleep around.

Wake up the next morning find yourself on the ground.

This so-called-life that you live is full of sin,

**A(stop) E(stop)**

But my God can set you free if you would just let Him in.

Chorus:

**A E A**

Get a Life. Get a Life.

**A E D E**

Get a Life. Get a Life. Get a Life. Get a Life.

**A E D E A**

Get a Life. Get a Life. Get a Life. Get a Life.

Verse 4: (Spoken w/ Bass Solo)

Okay, in your world youâ€™re so freakinâ€™ cool,

But in our world you are nothing,

And you need to get a life!

**A E D E**

Get a Life. Get a Life. Get a Life. Get a Life.

**A E D E A**

Yeah Yeah Yeah Yeah Yeah Yeah Yeah Yeah Yeah Yeah Yeah
