Bbm
Old Man Thorn, he was good,
F#
He was just misunderstood.
C#
He never took nobody s life,
G#
So how come his ended in strife?
Bbm
They came in one gloomy night,
F#
Came with the darkness, stole the light.
C#
They took him out back and bashed his head.
G#
One month later he was found dead.

F# **G#** **Bbm**
Is there anybody out there?
F# **G#** **Fm**
Is there anybody listening?
F# **G#** **Bbm**
If there s a God, oh, could You hear Him?
F#
Was he screaming out in vain?
Fm
Did You even know his name?

Bbm
Julie was a sweet little girl,
F#
Said a prayer before every meal.
C#
So how come Father was so bad?
G#
She couldn t even call him Dad.
Bbm
He made her live her life in pain,
F#
Took her trust, made her insane.
C#
Where were You when he broke her down?

G#

Did You even hear a sound?

F#m **Fm**

Life is short, and life is gray.

F#m **Fm**

What am I living for anyway?

F#m **Fm**

Consequences I must pay

F#m **Fm**

If I don't get it right today.

F#m **Fm**

The world just seems so unfair.

F#m **Fm**

We are living in the monster's lair.

F#m **Fm**

I need to know You're on the throne.

F#m **Fm** **G#m F#m Fm**

I wonder when You'll take us home.
