

**Funeral Singers  
Califone**

On the album version, califone tunes the guitar down a half step.

the chords are as follows:

A#: 799877  
Fm: 244222  
G#: 577655  
D#: 022100

**A#** **Fm**  
A little narcotic warm on me  
**G#** **D#**  
what will I do without the weight of you.  
**A#** **Fm**  
Funeral singers wail  
**G#** **D#**  
charity fails whose child are you now  
**A#**  
The lighthouse keeper grazed the lip spread like a fog  
**Fm**  
stood in the weather and prayed for a push  
**G#** **D#**  
but doesn't take the jump again tonight.

**A#**  
The book is aching for the tree  
**Fm**  
Return return return to me  
**G#**  
All my friends, all my friends  
**D#**  
All my friends are weeds and rain

**A#**  
All my friends are half-gone birds  
**Fm**  
Are magnets, all my friends are words  
**G#**  
All my friends are funeral singers  
**D#** **A#** **Fm** **G#** **D#**  
Funeral singers, funeral singers wailing
