E D
I ll go for a ride wherever it takes me

E
You won t fade away

D E
I m trying to hear your voice

D
Clear my head whatever happened

E
Slowing my world down

D
It s not that I don t have a choice

F#m
And I feel like time is slipping away

E
As the years roll on I ve got nothing to say

F#m D
And I wish I had it all sorted out

A E
Despite the mess despite the fall

F#m
You are in control

D
You are in control

A E
Despite the man who lost it all

F#m
You are in control

D

You are in control

E D

Of it all

E D
Well I stare at the sand and look at the numbers

E
What else could this mean

D
Well it s too much for my world alone

F#m
And I feel like time is slipping away

E
As the years roll on I ve got nothing to say

F#m D
And I wish I had it all sorted out

A E
Despite the mess despite the fall

F#m
You are in control

D
You are in control

A E
Despite the man who lost it all

F#m
You are in control

D
You are in control

E D
Of it all

E D
Of it all

F#m
And I feel like time is slipping away

E
As the years roll on I ve got nothing to say

F#m D
And I wish I had it all sorted out

A
When my world comes crashing down and I look through

All that I know and I feel that I can t move

E
On in my life cos I m barely breathing

F#m

And all I know is the hole I m seeing

Still You will find me standing

Firm cos I know that you have a hand in

D

Everything so I know that I m giving

You control of the world I live in

A

You are in control

E

F#m

You are in control of it all

D

Of it all
