

## Faking It

Calvin Harris

**Am**

Pray to God, but I m feeling like he s going deaf

**C**

Now when I lean on you and I got nothing left

**Dm**

Hey, I ve been wanting to call ya, tell you that I m sorry

**Em**

Same old fucking story everybody sing

**Am**

And I say I m okay, but I guess I m a liar

**C**

You say you re okay, but I saw that you liked it

**Dm**

2 AM and faded, I know that s when you like it

**Em**

Know that s when you miss me, know that s when you crying

**Am**

Why you, why you, why you checking if you re over it?

**C**

Why you, why you say Let go if you re still holding it?

**Dm**

Just a little bit better at faking it than me, baby

**Em**

Just a little bit better at faking it than me, baby

**Am**

Why you, why you, why you checking if you re over it?

**C**

Why you, why you say Let go if you re still holding it?

**Dm**

Just a little bit better at faking it than me, baby

**Em**

Just a little bit better at faking it than me, baby

**Am**

Nowadays, I m just a bitch to everybody else

(Fuck you and you)

**C**

I don t need no shoulders, I m good crying by myself

(Fuck you, too)

**Dm**

Moving on s a chore, cause you know I still adore ya

**Em**

An unrequited love is just a lover s hell

**Am**

And I say I m okay, but I guess I m a liar

**C**

You say you re okay, but I saw that you liked it

**Dm**

2 AM and faded, I know that s when you like it

**Em**

Know that s when you miss me, know that s when you crying

**Am**

Why you, why you, why you checking if you re over it?

**C**

Why you, why you say Let go if you re still holding it?

**Dm**

Just a little bit better at faking it than me, baby

**Em**

Just a little bit better at faking it than me, baby

**Am**

Why you, why you, why you checking if you re over it?

**C**

Why you, why you say Let go if you re still holding it?

**Dm**

Just a little bit better at faking it than me, baby

**Em**

Just a little bit better at faking it than me, baby

(Lil Boat, Lil Boat, Lil Boat, Lil Boat, Lil Boat)

**Am**

I m not gonna act like I don t love ya baby

Cause deep in my mind, girl, I know I do (true)

**C**

Tried to search all through the world not well

But I can t find a girl that lives close like you (no!)

**Dm**

I done made millions of dollars

But I m still alone until I come home back to you (yah!)

**Em**

I remember all of the times we were parked by your house

And laughed out on your avenue

**Am**

Whoa, you can t front

You re a stone cold diva (yaah!)

**C**

I had to get counseling from my moms

She s a heartbreak teacher (oh, yah!)

**Dm**

Remember that time I put those pepperonis on your face

Made you a creature

**Em**

Now I think about you every single time I eat pizza, ohh

**Am**

Why you, why you, why you checking if you re over it?

**C**

Why you, why you say Let go if you re still holding it?

**Dm**

Just a little bit better at faking it than me, baby

**Em**

Just a little bit better at faking it than me, baby

**Am**

Why you, why you, why you checking if you re over it?

**C**

Why you, why you say Let go if you re still holding it?

**Dm**

Just a little bit better at faking it than me, baby

**Em**

Just a little bit better at faking it than me, baby

**Am**

**C**

Why you holding me?

**Dm**

**Em**

Why you holding me?
