

Faking It

Calvin Harris

Am

Pray to God, but I m feeling like he s going deaf

C

Now when I lean on you and I got nothing left

Dm

Hey, I ve been wanting to call ya, tell you that I m sorry

Em

Same old fucking story everybody sing

Am

And I say I m okay, but I guess I m a liar

C

You say you re okay, but I saw that you liked it

Dm

2 AM and faded, I know that s when you like it

Em

Know that s when you miss me, know that s when you crying

Am

Why you, why you, why you checking if you re over it?

C

Why you, why you say Let go if you re still holding it?

Dm

Just a little bit better at faking it than me, baby

Em

Just a little bit better at faking it than me, baby

Am

Why you, why you, why you checking if you re over it?

C

Why you, why you say Let go if you re still holding it?

Dm

Just a little bit better at faking it than me, baby

Em

Just a little bit better at faking it than me, baby

Am

Nowadays, I m just a bitch to everybody else

(Fuck you and you)

C

I don t need no shoulders, I m good crying by myself

(Fuck you, too)

Dm

Moving on s a chore, cause you know I still adore ya

Em

An unrequited love is just a lover s hell

Am

And I say I m okay, but I guess I m a liar

C

You say you re okay, but I saw that you liked it

Dm

2 AM and faded, I know that s when you like it

Em

Know that s when you miss me, know that s when you crying

Am

Why you, why you, why you checking if you re over it?

C

Why you, why you say Let go if you re still holding it?

Dm

Just a little bit better at faking it than me, baby

Em

Just a little bit better at faking it than me, baby

Am

Why you, why you, why you checking if you re over it?

C

Why you, why you say Let go if you re still holding it?

Dm

Just a little bit better at faking it than me, baby

Em

Just a little bit better at faking it than me, baby

(Lil Boat, Lil Boat, Lil Boat, Lil Boat, Lil Boat)

Am

I m not gonna act like I don t love ya baby

Cause deep in my mind, girl, I know I do (true)

C

Tried to search all through the world not well

But I can t find a girl that lives close like you (no!)

Dm

I done made millions of dollars

But I m still alone until I come home back to you (yah!)

Em

I remember all of the times we were parked by your house

And laughed out on your avenue

Am

Whoa, you can t front

You re a stone cold diva (yaah!)

C

I had to get counseling from my moms

She s a heartbreak teacher (oh, yah!)

Dm

Remember that time I put those pepperonis on your face

Made you a creature

Em

Now I think about you every single time I eat pizza, ohh

Am

Why you, why you, why you checking if you re over it?

C

Why you, why you say Let go if you re still holding it?

Dm

Just a little bit better at faking it than me, baby

Em

Just a little bit better at faking it than me, baby

Am

Why you, why you, why you checking if you re over it?

C

Why you, why you say Let go if you re still holding it?

Dm

Just a little bit better at faking it than me, baby

Em

Just a little bit better at faking it than me, baby

Am

C

Why you holding me?

Dm

Em

Why you holding me?
