

**Mundane**

**Calvin Sanders**

**Em G**

I was Walking, around downtown

**Cadd9 Em**

Seen the cars and lights moving all around.

**Em G**

I did not know it would take a while

**Cadd9 Em**

I did not know how to fake a smile

**Em G**

But there you were, you turned my way

**Cadd9 Em**

All I remebered was that summer day.

Chorus:

**Em G**

I want that back, I can t say that

**Cadd9 Em**

I want you here, chase away my fears.

**Em G**

So little time, yet so much pain,

**Cadd9 G**

Why you had to leave, so mundane.

Verse 2

You don t know, you never realized  
you never saw the hurt, that I seen in his eyes.

I was there, to see his fears,

I was there, to see his tears.

All you did, was go away

his world ended, on that summer day

Chorus
