(Whisper)

G Bm G Bm

One, two, One, two, three, chicah

VERSE:

G **Bm**
I saw you at the start,
G **Bm**
I ll meet you at the end,
G **Bm**
I know I can fix your heart
G **Bm** **C**
But I ll probably break all again. Ooh

BREAK:

G **D** **C**
It s nice to see it on your face,
G **D** **C**
I know it s real, it s got that grace.
G **D** **C** **D**
Got a running chance to give up on the chase.

CHORUS:

G **Em** **D**
Oh, take me to another place where
C **D** **G**
We can just be everything we d planned
G **Em** **D** **C**
Oh, we can just be crazy kids and maybe
D **G** **Bm**
Baby you can hold my hand.

VERSE:

G **Em**
Dunno why it s so hard,
G **Em**
Why times I cannot keep.
G **Em**
I need to feel your heart,
G **Em C**
So I can fall asleep. Ooh

BREAK:

G **D** **C**
Skin to skin, back on my chest.
G **D** **C**
I leave my heart where it feels best.
G **D** **C D**
We ll dream in circles to find what s next.

CHORUS:

G **Em** **D**
Oh, take it to another place where
C **D** **G**
We can just be everything we d planned
G **Em** **D** **C**
Oh, we can just be crazy kids and maybe
D **G**
Baby you can hold my hand.
