Shine For Me
Camera Can't Lie

Shine For Me
Camera Can t Lie
Capo: 2

| **E** | **B** | **C#m** | **Amaj7** |

```
          E                             B
Would you . shine a little bit brighter . climb a little bit higher
C#m               Amaj7
. Tell me would you shine for me?
          E                             B
Would you . hope a little bit longer . sing a little bit louder
C#m               Amaj7
. Tell me would you shine for me, yeah?
```

| **E** | **B** | **C#m** | **Amaj7** |

```
      E
Well, if one day you re awake to see
B
The colors fade from the trees
C#m                                   Amaj7
. I hope you find a brush, paint a road back to me
    E
And if one day you re afraid to fight,
B
Among the weak and helpless cries,
C#m                                 Amaj7
. I ll help you take a stand to defend what is right
```

```
E
. And don t look back, never never look back
B                                 C#m        Amaj7
.Â Don t look back, never never look back, look back
```

```
          E                               B
Would you . shine? A little bit brighter . climb a little bit higher
C#m               Amaj7
. Tell me would you shine for me?
          E                         B
Would you . hope a little bit longer . sing a little bit louder
C#m               Amaj7
. Tell me would you shine for me?
```

```
    E
So if one day you re filled with tears
      B
```

```
From aching hearts and passing years,
C#m                               Amaj7
. I hope this simple rhyme will somehow make you strong
E
Then one day you ll hear a song,
        B                      C#m
With a melody you can sing along,
      C#m                   Amaj7
And I know you ll find the words to carry on

            E                              B
Would you . shine a little bit brighter . climb a little bit higher
C#m               Amaj7
. Tell me would you shine for me?
            E                        B
Would you . hope a little bit longer . sing a little bit louder
C#m               Amaj7
. Tell me would you shine for me?

E
. And don t look back, never never look back
B                                   C#m  | Amaj7 |
. Don t look back, never never look back
E
. Don t look back, never never look back
B                                   C#m         Amaj7
. Don t look back, never never look back, look back

            E                              B
Would you . shine a little bit brighter . climb a little bit higher
C#m               Amaj7
. Tell me would you shine for me?
            E                        B
Would you . hope a little bit longer . sing a little bit louder
C#m               Amaj7
. Tell me would you shine for me? (Repeat 2 more times)
      | E  |
Yeah

E = 779997
B = 799877
C#m = 446654
Amaj7 = xx2224
