

Country Mile
Camera Obscura

Intro: **A**

Verso:

A

Silver Birch against a Swedish sky

D

The singer in the band made me want to cry

A

We re all inside our own heads now

D

We are leaving new friends, leaving this town

Bm

D

And I wish you could be here with me

Bm

D

I would show you off like a trophy

Bm

D

The road it winds, it twists, it turns

A

Now my stomach burns

Verso:

A

Once again, I ll be the foolish one

D

Thinking a blink of these lashes would make you come

A

Don t you worry, don t get in a state

D

I don t believe in true love anyway

D

Bm

Who s being pessimistic now?

D

Bm

I could document this as our first and our last row

D

Bm

A

The more you look forlorn, the more to you I warm

Refrão:

A

I won t be seeing you for a long while

A

I hope it s not as long as a country mile

D

I feel lost...

A

I feel lost...

Outro: **C#m Bm A**
