Camera Obscura - Forests & Sands
Tabbed by Logan

Capo at 1st fret - all chords relative to capo

(Intro)

C - Em - C - Em

C **Em**
I m in a van and you re holding my hand
C **Em**
You are traveling with me through forests and sands
F
I ve been innocently learning your language
Am **Dm**
And you ve been taking full advantage, haven t you?
G
Oh don t say it s true

C **Em**
I lost a friend. I m the saddest again
C **Em**
We kissed once, hey, but that was in lust
F
I know you need more than given moments
Am **Dm**
And sentimental sorrrys and words only spoken seem lame
G
And I won t win your heart that way

C **Em**
Oh it feels like none of this is real
C **Em**
I ll pretend that my heart and my head are well
F
But if the blood pumping through my veins could freeze
Am
Like the river in Toronto then I d be pleased
Dm
You said I made you feel warm
G
You said I made you feel warm inside

(Interlude)

C- Em - C - Em - F - Am - Dm - G

C Em
It feels like none of this is real
C Em
I ll pretend that my heart and my head are well
F
But if the blood pumping through my veins could freeze
Am
Like the river in Toronto then I d be pleased
Dm
You said I made you feel warm
G
You said I made you feel warm inside

C Em
It feels like none of this is real
C Em
I ll pretend that my heart and my head are well
F
But if the blood pumping through my veins could freeze
Am
Like the river in Toronto then I d be pleased
Dm
You said I made you feel warm
G
You said I made you feel warm inside
