Camera Obscura - You Told a Lie
Tabbed by Logan

C **Em**
If you were a season you would be in bloom
Dm **G**
I wish I had good reason to see you soon
C **Em**
No need to convince me that you re a catch
Dm **G**
I bought my ticket. I m sold at last

C **Em**
Who was it that said love conquers all?
Dm **G**
Oh he was a fool cause it doesn t at all
C **Em**
Should I believe you told a lie?
Dm **G**
On the way to my heart and on the way back

Em **Dm**
Are my eyes the coldest blue?
Em **Dm**
You said once this was true
Em **Dm**
If it is I don t know what I ll do
C
Cause I m stuck with them
G
And they re stuck on you

C
Was I a quiet little nothing
Em
Who never challenged anyone?
Dm **G**
Oh was I a lazy lazy snake?
C **Em**
Do you want me to be a gentle diplomat?
Dm **G**
You can beg and you can plead

Em **Dm**
Are my eyes the coldest blue?
Em **Dm**
You said once this was true
Em **Dm**
If it is I don t know what I ll do
C
Cause I m stuck with them
G
And they re stuck on you
