

Wandering Around
Cameron Kisiel

[Verse 1]

Em

The young man learned he s afraid of love

Am

After tripping for hours on psychedelic drugs

Em

The young man realized at the end of the day

D

Life doesn t make sense but that s okay

Em

And he rode his bike to another world

Am

Where the wide eyed boy Met a psychedelic girl

Em

Who walked with him through rainbow showers

D

And stopped with him To smell the flowers

[Chorus]

G

They sat by a creek and watched the water

C

Trickle through the stream

G

And in that moment the boy knew life

C

Isn t what it seems

[Verse 2]

Em

The boy saw drugs can t fill the hole

Am

That burned eternally in his soul

Em

And he could barely try to stand

Am

When God laid out the master plan

Em

To touch the lives of those in need

Am

To help the friends that hurt and bleed

D

And the orange bike landed on the ground

[Chorus]

G

They sat by a creek and watched the water

C

Trickle through the stream

G

And in that moment the boy knew life

C

Isn't what it seems
