If love is a feeling,

**Em**

then I donâ€™t want it

**C**

**G**

Youâ€™ll take it and make it into more!

**G**

But if you want something

**Em**

that really means something,

**C**

**G**

Iâ€™ll show you what love is really for.

**C**

**D**

And if you want me

**G**

**Em**

to say, â€œYou donâ€™t have change,â€•

**C**

Iâ€™ve been waiting patiently.

**D**

**G**

**Em**

Well, love can wait for me, love can wait for me!

**G**

**C**

**D**

Oh oh, oh whoa! Oh woooooooohohohâ€|

**G**

I think I see clearly,

**Em**

but everyone tells me,

**C**

**G**

â€œArenâ€™t you and I meant to be?â€•

**G**

But donâ€™t tell me baby

**Em**

that weâ€™re going somewhere,

**C**

**G**

because your somewhere is not where I want to be.

**C**

**D**

And if you want me

**G**

**Em**

to say, â€œYou donâ€™t have change,â€•

**C**

Iâ€™ve been waiting patiently.

**D** **G** **Em**  
Well, love can wait for me, love can wait for me!

(Yeah, alright, come on, c mon!

Yeah man, what cha got?)

**C** **Em**  
You don t know what love is,  
**C** **Em**  
My heart is losing all its faith "  
**C** **Em**

**D**  
Yeaaaaaah, yeaah! YEAH!

**C**  
I ve been waiting patiently.

**D** **G** **Em**  
Well, love can wait for me, love can wait for me!
