

Into It
Camila Cabello

E **G#m**

Ooh, I m not a psychic

F#

But I see myself all over you (ooh)

E **G#m**

Ooh, I m sick on you, sick on you

F#

But you re the medicine, too (ooh)

E **G#m**

The gravity can t hold us, your hands are outer space

F#

I can t make sense of nothing and words just get in the way

E **G#m**

This couch is getting smaller, but it s my favorite place

F#

Don t even ask the question, you know what I m gonna say

E

I m into it

G#m

F#

Whatever trouble that you re thinking, I could get into it

E

I see a king-sized bed in the corner, we should get into it

G#m

F#

All of the things, I wanna do to you is infinite

I mean, if you re into it, I m into it

E **G#m**

Ooh, I m holding my, holding my breath

F#

Until I m turning blue (yeah, yeah)

E **G#m**

Ooh, don t save me, don t save me, don t save me

F#

I ll fall into you, fall into you

E **G#m**

This couch is getting smaller, but it s my favorite place

F#

Don t even ask the question, you know what I m gonna say

E

I m into it

G#m

F#

Whatever trouble that you re thinking, I could get into it

E

I see a king-sized bed in the corner, we should get into it

G#m

F#

All of the things, I wanna do to you is infinite

I mean, if you re into it, I m into it

E

I m into it, I m into it

G#m

Whatever trouble that you re thinking

F#

I could get into it (I m into it)

I see a king-sized bed in the corner

E

We should get into it (I m into it)

G#m

F#

Enough of the conversation, baby, let s get into it (I m into it)

I mean, if you re into it, I m into it

E

G#m

The gravity can t hold us, your hands are outer space

F#

I can t make sense of nothing, oh

E

G#m

This couch is getting smaller, but it s my favorite place

F#

Don t even ask the question

You know what I m gonna say (say baby)

E

I m into it

G#m

F#

Whatever trouble that you re thinking, I could get into it (thinking, I...)

E

I see a king-sized bed in the corner, we should get into it (into it, yeah)

G#m

F#

All of the things I wanna do to you is infinite (everything is infinite)

F#

I mean, if you re into it, I m into it (if you re into it)

I m into it, I m into it

E

G#m

I m into it, oh na na, I m into it

F#

I m into it, oh na na, I m into it

E

G#m

I m into it, oh na na, I m into it

F#

If you re into it, I m into it
