

Love Incredible  
Camila Cabello

**F** **G**  
I forgot the feeling

**Am** **C**  
The feeling of being alone But not lonely

**F** **G**  
I guess when you touch me

**Am** **C**  
My fears and my secrets Belong to you only

**F** **G**  
Close the door behind you

**Am** **C**  
Just let me love you,slow you, hold you

**F** **G**  
My mind stays on you

**Am** **C**  
So does my body let me show you

**F** **G**  
But I wanna go through

**Am** **C**  
And I wanna need you

**F** **G**  
Could you be my muse

**Am** **C**  
Lately all I think about is you

**G**  
I m never sick about it

**F** **G**  
This love s incredible-credible

**Am**  
Have a little mercy on me

**C**  
Baby, you got me

**F** **G**  
Wanting more, wanting more

**Am** **C**  
Of your looooooooooove
