

She Loves Control  
Camila Cabello

[Intro] Bm F#m Em Bm

Bm F#m  
Cold, cause she has been here before  
Em Bm  
She doesn't cry anymore, no looking back  
Bm F#m  
No, she doesn't go to the bar  
Em Bm  
Too many lovers she scarred, and they want her back  
Bm F#m

And there's no way she'll ever stay unless you give it up  
Bm F#m  
She loves control, she wants it her way  
Em Bm  
And all it takes is just one taste, you wanna give it up  
Bm F#m  
Bold, you know she lives for the thrill  
Em Bm  
You know she lusts for the kill so they won't come back  
No, no, no, no, no, no, no  
Bm F#m  
Don't, don't you try taming the storm  
Em  
Don't say you haven't been warned  
Bm  
Cause she won't like that, like that  
Bm F#m  
Cause he loves control, she wants it her way  
Em Bm  
And there's no way she'll ever stay unless you give it up
