

**You're My Favorite Song**  
**Camp Rock 2**

**Gb Db**  
Words don t come easy

**E B**  
Without a melody

**Gb Db**  
I m always thinking

**E B**  
In terms of do-re-mi

**Gb Db**  
I should be hiking, swimming

**E B**  
Laughing with you

**D Db Gb**  
Instead, I m all out of tune

**Gb Db**  
But what you don t know

**E B**  
You lift me off of the ground

**Gb Db**  
You re inspiration

**E B**  
You helped me find my sound

**Gb Db**  
Just like a baseline in half-time

**E B**  
You hold down the groove

**D Db Gb**  
That s why I m counting on you

**B Db Gb Ebm**  
And if I heard you on the radio

**B Db Gb Ebm**  
I d never want to change a single note

**B Db Ebm Ebm**  
It s what I m trying say all along

**B Gb Db**  
You re my favorite song

**Gb Db**  
I m in a session, writing tracks

**E B**  
You got another class to teach

**Gb Db**  
And then rehearsal with the band

**E B**  
You re always one step out of reach

**Gb Db**  
I m looking for some harmony with you

**E B**  
It comes so naturally

**D Db Gb Ab**  
You help me find the right key

**Db Eb Ab Fm**  
And when I hear you on the radio

**Db Eb Ab Fm**  
I never want to change a single note

**Db Eb Cm Fm**  
It s what I tried say all along

**Db Ab Eb**  
You re my favorite song

**Db**  
My favorite song

**Eb Ab Fm**  
And when I hear you on the radio

**Db Eb Ab Fm**  
I never want to change a single note

**Db Eb Cm Fm**  
It s what I tried say all along

**Db Ab Eb**  
You re my favorite song

**Db Eb Ab**
