VERSE 1:

A A G#m C#
Come on slowly, won't you rise and come
F#m B7 E B D
To the top of this hill, where the cool breeze spills
A A G#m C#
Now that it's dusk, someone drives them off the street
F#m B7 E B D
Let the pavements cool, come on now
A A G#m C#
So come on love, and lay your body down, next to mine
F#m B7 E B D
Cause what we're longing for, has withered in the light

CHORUS:

G#m G#m A A
Come on darkness, Lay your body down on us
F#m F#m B Bsus2
We've been calling you for so long now, we're weary of your name
G#m G#m A A
Come on blackness, let me breathe you in
F#m F#m B Bsus4 B
Cause with this clattering and din, we are calling you

VERSE 2:

A A G#m C#
Brother have you got a smoke, or baby have you got a dime
F#m B7 E B D
Seems like we're all, a little down on our luck
A A G#m C#
And baby if you're workin' now, out in Bakersfield
F#m B7 E B D

At some honky-tonk, they call the Wagon Wheel

CHORUS:

G#m G#m A A
I feel swept, and you feel rolled away
F#m F#m B7 A7sus2
So come on darkness, I need you today
G#m G#m A A
So come on blackness, let me breathe you in
F#m F#m B7
Cause with this clattering and din, I am calling you

FINALE:

A F#m
Come on darkness
B7 A
Come on darkness
