[G] One of these days [F#m]-[F#m7]  
[Bm] When you figure, [D] figure it all out  
[G] Well be [F#m] sure to let me know [Bm]  
[G] Well I ll be [F#m] waiting right [F#m7] here  
[Bm] Come and [D] whisper in my ear  
[G] what it [F#m] is I want to [Bm] know

[BREAK x2]

One of these days  
gonna get into it way on over our heads  
And you ll find that there s no place to hide  
But if you fight and if you fail,  
don t fall back into yourself  
You can fall back on me

[BREAK x2]

One of these days  
When you figure, figure it all out  
Put your lips against my ear  
Tell me it all  
Or tell me just a little bit, you know  
You know it s what I wanna hear

One of these days  
When you figure, figure it all out  
Well be sure to let me know  
Well I ll be waiting right here  
Come and whisper in my ear  
what it is I wanna know

One of these days  
When you figure, figure it all out  
Put your lips against my ear  
Tell me it all,  
Or tell me just a little bit, you know  
You know it s what I wanna hear

[Bm]-[F#m]-[Bm]-[F#m]-[Bm]
